DXN Lingzhi 3-in-1 will be your everyday coffee break beverage that you don't want to miss!

Serving suggestion: (1) sachet = 1 to 2 cups

Is an excellent anti-depressant and enhances performance effectively, improving one's memory and energy levels for both mental and physical. It contains GANODERMA extract as a spiritual essence that strengthens the body defense mechanism.

The ingredients are easily dissolved and produce a very strong aroma of excellent coffee. One cup of Lingzhi Black Coffee gives you a refresh mood.

Serving suggestion: (1) sachet = 2 to 3 cups

Cocozhi is formulated from the finest cocoa with GANODERMA extract. Besides the excellent cocoa aroma, you can also enjoy the benefits of GANODERMA.

Just pour the content in a cup of hot water and stir it to enjoy the refreshing drink which suitable for the whole family!

Serving suggestion: (1) sachet = 1 to 2 cups

NEW !!! Caring for your health, DXN has developed Lingzhi Tea, which is a rich in natural ingredients containing the finest Ceylon Tea and Ganoderma extract. It is mild and ideal for all ages and genders!

Serving suggestion: (1) tea bag = 1 to 2 cups

GANODERMA promotes blood circulation, removes toxins from the body and regulate the functions of internal organs, increase oxygen absorptions and strengthens the immune system!
